Tomoka Sensei

About me :

I would like to create a cheerful atmosphere so that even if you are having a hard day at work or school, you can cheer up when you come to Tomo. I would like to create a class environment where you can become more interested in Japan and the Japanese language.

Fun Facts :

- Love to play tennis since I was 15 years old.
- Enjoy going fishing, which gets me up early.
- Big fan of Banmian, I don't mind traveling far away to get it.
