

Your Teacher Jiro Sensei

About me :

In my class, I want everyone to relax, have fun, and be themselves.

Let's enjoy discovering Japanese together through its culture and real conversations!

Fun Facts :

- Ramen lover & home chef — almost restaurant level!
- I love classic Japanese movies, especially a film called Tampopo
- I'm also pretty good at basketball — if you know any good places to play in Singapore, let me know!
