

Your Teacher Haruka Sensei

In my class :

I want to create a class where everyone enjoys learning and looks forward to every lesson. Let's learn natural Japanese and enjoy talking together! I'm always happy to help, so feel free to ask me anything—whether it's about Japanese or anything else!

About me :

- Read English books every day — Colleen Hoover is my favorite!
- Majored in intercultural communication and confidently teaches Japanese to non-native speakers.
- A big fan of the Japanese idol group FRUITS ZIPPER.
