

Your Teacher Haruka Sensei

About me :

I want to create a class where everyone enjoys learning and looks forward to every lesson. Let's learn natural Japanese and enjoy talking together! I'm always happy to help, so feel free to ask me anything—whether it's about Japanese or anything else!

Fun Facts :

- Love sweets—chocolate cake and pancakes are my favorites!
- Majored in intercultural communication and confidently teaches Japanese to non-native speakers.
- I'm really into the Japanese idol group FRUITS ZIPPER.
