

School Principal Tomoki Sensei

In my class :

Founder & School Principal of Tomo Japanese.

Throughout my experiences in teaching at Tomo, I have met many students who share the same love & interest for Japan & Japanese food. I ensure that our school is a comfortable & friendly learning environment for our students & teachers.

About me :

- Have over 1000 books on Japanese history at home.
- Love local food even more than my SG wife does.
- Going jalan jalan around the heartlands is my favourite pastime.
